This is the Masjid Qibly. This is one of the 44 main buildings in Masjid Al-Aqsa

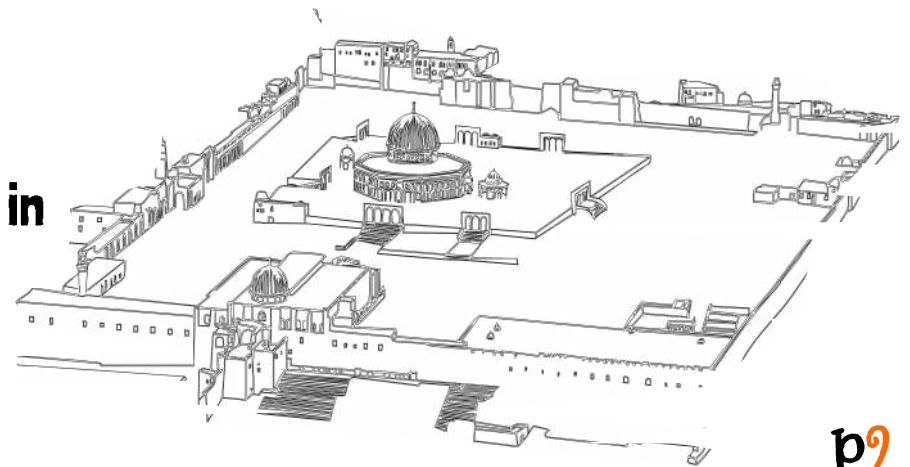

Important Masajid

1. **The Kab'ah** – The most sacred Masjid in the world. It was the first house built for the worship of Allah. It is visited by many millions of Muslims every year for Hajj and Umrah.

2. **Masjid Nabwi** – The second most sacred Masjid in the world. It is also known as the Prophet's Masjid and it is in Madina. It was built after the Hijra from Makkah to Madina.

3. **Masjid al-Aqsa** – The third most sacred Masjid in the world. It is the very place where all the prophets ﷺ prayed together during al Isra wal Miraj.

Activity: Draw the three Masajid and tell me about them

The image features a simple line-art world map. Three orange dots are placed in the Middle East region, representing the three holiest sites in Islam. Three dotted orange lines extend from these dots to three empty rectangular boxes, each with two pushpins at the top corners, suggesting a workspace for drawing and writing. Below each box are four horizontal dotted lines for text.
